Flock Safety

Introducing the NEW Flock Safety mobile app, tailor-made for officers on-the-go. Available now for both iOS and Android devices, the Flock Safety app helps you respond to crime more efficiently by immediately delivering LPR and audio insights to your mobile phone and smartwatch.

Key Features Include:

- **Real-Time Hot List Alerts:** Receive immediate, clear images of vehicles and their plates, ensuring rapid and accurate identification of vehicles of interest.
- **License Plate Lookup:** Gain quick access to vital information with our efficient license plate lookup. Know more about a vehicle of interest from the convenience of your mobile device.
- **Hot List Verification via Image Upload:** Snap. Upload. Confirm. Eliminate guesswork by simply taking a photo of a vehicle to determine its relevance to ongoing investigations.
- **Smartwatch Notifications:** Stay updated even in high-pressure situations. A glance at

your wrist can now provide essential updates, bridging the gap between tech and efficiency.

- **Single Sign-On (SSO):** Seamlessly log into the app using your universal Flock Safety credentials, including temporary authenticator codes for extra security.
- **Shift Mode:** Ensure that critical alerts reach you only when you're on duty

---

Drive better outcomes with precision intel. Download the app for iOS and Android devices today.
